NEW TILT RANGE

Tilt is a flexible buffet system comprised of cylindrical metal risers compatible with a range of serving top solutions for both wet and dry foods. Select from bowls made of ceramic, solid walnut, spun brushed brass and black glass or plinths made from luxurious marble or solid walnut.

The Tilt risers feature a precision fitted rubber gasket, which gently grips the bowls surface, allowing these to be used at various angles depending on the display requirements of your events.

Craster creates innovative luxury product ranges for premium Hotel, Retail and Restaurant groups. We bring together exceptional design and manufacturing talent and offer a complete product development solution from the inception of the idea to delivery of the product.
